If the cover for **damage** to **contents** is provided on a different basis at the new **insured premises**, the cover provided under this Special condition for **damage** to **contents** at the former **insured premises** will continue on the same basis as that which previously applied.

The cover provided under this special condition does not increase the **amount insured**.

# How much we will pay

We will pay up to the amount insured stated in the schedule unless amended below or in the schedule.

Repair and replacement

At our option we will repair, replace or pay for any lost or damaged items on the following basis:

- 1. for contents, other than stock, hired-in equipment, prototypes, art and collections, personal effects and employees' cycles, the cost of repair or replacement as new.
- 2. for **stock** other than second-hand merchandise goods, merchandise goods which have been sold but not delivered and goods held in trust, the cost of repair or replacement at the cost price to **you**.
- for second-hand merchandise goods, the cost of repair or replacement at the trade market value.
- 4. for merchandise goods which have been sold but not delivered, the agreed contract price.
- 5. for hired-in equipment, the lesser of:
  - a. the extent of your legal liability in respect of repairing or replacing the hired-in equipment as specified in the hire contract;
  - b the costs of repair of the hired-in equipment; and
  - c. the costs of replacement of the hired-in equipment with a model of equivalent specification, age and condition.
- 6. for goods held in trust, the lesser of:
  - a. your liability in respect of the goods held in trust; and
  - b. the cost of repair or replacement at the trade market value of such goods.

- 7. for **prototypes**, the cost to **you** of the materials necessary to reinstate the **prototype** to the same condition as it was in immediately prior to **damage** occurring.
- 8. for art and collections, the agreed value of any lost or damaged item which is individually valued in the schedule or contained in any valuation lodged with us. However, if the item is only partly damaged, we will decide whether we repair, restore, replace or pay the agreed value of the damaged item. If we repair or restore a damaged item, we will also pay for any loss in value.

For any item of **art and collections** which has not been individually valued in the schedule or valuation, **we** will decide whether **we** repair, restore, replace or make a cash settlement for that item. If **we** choose to make a cash settlement, **we** will pay the market value of the item immediately prior to the **damage**, taking account of any increased value the item may have because it forms part of a pair or set. The most **we** will pay for any one item, pair or set is the amount stated in the schedule.

- 9. for **personal effects**, the cost of repair or replacement as new, but not more than the amount stated in the schedule for each incident of loss.
- 10. for **employees**' **cycles**, the cost of repair or replacement as new, but not more than the amount stated in the schedule for each incident of loss.

Pairs and sets

If any **contents** which have an increased value because they form part of a pair or set are **damaged** any payment **we** make will take account of the increased value.

Other interests

Any payment **we** make will take into account the interest of any party having an insurable interest in the **contents** insured, provided **you** have advised **us** of the nature and extent of the interest together with the name and address of that interested party.

Inflationary provision cover

Provided that you advise us of the replacement value of the contents at the beginning of each period of insurance, the amount insured will automatically be increased by an additional percentage to take account of any inflationary increases over the period of insurance. Your schedule will show if Inflationary provision cover applies and the additional percentage amount.

**Under insurance** 

If, at the time of damage, we establish that:

- 1. the amount insured; or
- the declared amount, where you have selected a first loss limit which is stated on the schedule;

does not represent the total value of the **contents**, **we** will reduce the amount **we** pay in the proportion that the premium **you** have paid bears to the premium **we** would have charged **you** if **you** had declared the total value of the **contents**.

We will only apply this calculation if:

- 1. **we** find that the **amount insured** is less than 85% of the **contents**; and
- 2. **we** establish that **your** failure to declare the total value of the **contents** was not deliberate or reckless and was a breach of **your** obligation to:
  - a. make a fair presentation of the risk to us before the start of the period of insurance; or
  - notify us of a change of circumstances in relation to the total value of the contents, which may materially affect the policy; or
  - c. make a fair presentation of the risk to us when notifying us of a change of circumstances in relation to the total value of the contents which may materially affect the policy.

This remedy may apply in addition to General conditions 2. b.ii. and 4. b. ii.

If your failure to declare the total value of the contents was deliberate or reckless, the remedy under General conditions 2.a. or 4.a. will apply.

Index linking

If you decide to renew this section with us, we will automatically adjust the amount insured or declared amount, as appropriate, for contents for the subsequent period of insurance in line with any change in nationally publicised indices. You should advise us if you do not want us to increase the amount insured or declared amount in this manner. However, we will not reduce the amount insured or declared amount without your consent.

## Your obligations

If any damage occurs

We will not make any payment under this section unless you:

- 1. notify **us** promptly of any **damage** which might be covered;
- 2. notify us promptly of any claim that an item of art and collections is not rightfully yours;
- 3. notify **us** of any loss from **crime** within ten working days of its discovery by **you**;
- 4. report to the police or relevant local authority, as soon as reasonably possible, any damage arising from theft, arson, malicious damage, riot or civil commotion and obtain a crime reference from them: and
- 5. arrange for urgent repairs to be done immediately. Before any other repair work begins **we** have the right to inspect the damaged **property**. **We** will tell **you** if **we** want to do this.

Backing-up electronic data

**You** must take all reasonable steps to make back-up copies of data at least once a week and keep the copies away from the **insured premises**. If **you** do not, **we** may reduce any payment **we** make by an amount equal to the detriment **we** have suffered as a result.

Hiring in equipment

When hiring in **property you** must complete and record an inventory check and inspect all **property** for **damage** prior to acceptance and agree a schedule of any **damage** with the hire company before taking charge of the **property**. Upon returning the **property** to the hire company **you** must only return the **property** to persons authorised within the hire company to accept the return of equipment.

We will not make any payment under this section in respect of any incident occurring while you are not in compliance with these conditions unless you can demonstrate that such non-compliance could not have increased the risk of the damage occurring in the circumstances in which it occurred.

Protections

- You must ensure that all fire alarms, security systems and physical protections notified to us are in full operation whenever the insured premises is left unattended, unless you have already advised us that a system is not working properly.
- You must also advise us as soon as reasonably possible if for any reason a system is not
  working properly. We may then vary the terms and conditions of this policy. All systems
  must be regularly serviced under contract by a reputable company at least annually.

We will not make any payment under this section in respect of any incident occurring while you are not in compliance with these conditions unless you can demonstrate that such noncompliance could not have increased the risk of the damage occurring in the circumstances in which it occurred.

Unoccupancy

**You** must tell **us** immediately if the **insured premises**, including any self-contained areas of the buildings, will be left unoccupied or will not be used for more than 30 consecutive days. **We** may change the terms and conditions of this **policy** or impose additional requirements that **you** must carry out. If **we** impose additional requirements **we** will tell **you** the timeframes within which **you** must carry them out.

If you do not tell us, we will not make any payment for damage occurring while the insured premises is unoccupied.

**Building works** 

If you intend to undertake any work to extend, renovate, build or demolish any part of the buildings at the insured premises and the estimated cost is more than £75,000, you must tell us about the work at least 30 days before the work starts and before you enter into any contract for the works. We may change the terms and conditions of this policy or impose additional requirements that you must carry out. If we impose additional requirements we will tell you the timeframes within which you must carry them out. If you do not tell us, we will not make any payment for damage directly or indirectly caused by or resulting from the building works.

You do not have to tell us if the work is for redecoration only.

Unauthorised use of utilities

If the **insured premises** is not occupied by **you**, **you** must inspect the **insured premises** at least weekly and take action to prevent further losses as any potential unauthorised use is discovered.

**We** will not make any payment under this section in respect of any incident occurring while **you** are not in compliance with these conditions unless **you** can demonstrate that such non-compliance could not have increased the risk of the **damage** occurring in the

circumstances in which it occurred.
