

Schemes **appetite** guide

Hiscox aims to provide specialist insurance that is honest, easy and worry-free. Our schemes proposition offers a solution that is responsive, relevant and tailored to the needs of our brokers and their policyholders. There is no universal definition of a scheme, but the crucial component shared by every scheme is that it is a bespoke proposition, designed for a distinct and scalable customer group.

- Business activities and products within core appetite
- Business activities and products within broader appetite
- Business activities and products we aren't able to consider
