

HISCOX CLASSIC MOTOR INSURANCE APPETITE.

We provide cover for:

- new and existing 606 or Hiscox Motor Insurance policyholders
- stand-alone classic vehicles.

Hiscox Classic Motor Insurance policies include:

- agreed amount or extended agreed amount options
- cover for spare parts and accessories
- proactive claims service – we will keep you up-to-date with your client's claim
- option to buy back the salvage following an incident
- option to also cover laid-up vehicles or those going through restoration.

Existing policyholders:

- if you are an existing 606 or Hiscox Motor Insurance policyholder, Hiscox can add your classic motor onto your existing policy or create a new annual policy.

Underwriting criteria:

- each driver should have no more than one 'no blame' claim in the last three years
- the main driver should be over 30 years old
- each driver should have no more than two minor convictions in the last three years
- one vehicle on the schedule should have a current value of £30,000 or more
- all vehicles should be kept in a garage or private secure driveway overnight.
