HISCOX

What makes Hiscox Extranet different?

- Cover is quick and easy to find
- You're only asked a few questions before a price is generated
- Seamless integration with your back office is available so you can access policy documents quickly
- Companies House data automatically enriches client information, meaning you don't have to ask your client lots of questions
- You can amend and renew policies yourself with just a few clicks
- Our live webchat is supported by a dedicated Digital Trading team who are available between 9am - 5pm, Monday to Friday

Hiscox Extranet Client Testimonials

"The quick quote functionality is very useful and quick to provide a client with an indication, overall the system is simple, quick and easy to use, the product is very good and offers a high level of cover with broad wordings, so in that respect we always feel comfortable recommending Hiscox."

Oliver Leyens, Heath Crawford

"Hiscox has taken much of the faff out of the process. We don't need to ask our client as many questions, which has improved the customer journey. It's also allowed us to become more productive, which is amazing! The extranet's design is sleek: it's clear and so easy to use."

Shari Storey, Broking Manager YuTree

"Portal is easy to use, journey is simple, we receive quick responses which makes trading easy, combined with Hiscox strong pricing and wording the policies generally sell themselves!"

Leeane Shaw, Brightside

"We are delighted to partner with Hiscox in delivering an innovative digital solution for PI. The portal offers a streamlined journey, making it quick and simple for brokers to offer a great product to their customers."

Theo Duchen, Co-CEO, Acturis

Contact the team

Our dedicated and experienced team of underwriters are accessible via phone or email and are authorised to handle referrals on new business queries with the aim of a same-day response.
