If it is on a continuing basis, your policy will renew each year for another 12 months and we will continue to take payment (including any premium adjustment shown in your renewal invitation) using your existing arrangement, unless you tell us otherwise or if your risk changes. If your policy schedule does not show that the policy is on a continuing cover basis, cover will cease at the end of the period of insurance, unless you renew your policy with us.

We will provide you with a statement of fact each year and provided that the information contained within the statement of fact is true, complete and accurate, you do not need to provide us with any further information. If you do not do so, it may affect the validity of the policy or our ability to pay a claim.

Where any section of your policy schedule includes a retroactive date, we will not make any payment for any claim or loss under that section which arises from any activity performed or any act, incident or occurrence taking place, before the retroactive date.

Where any section of your policy schedule shows the geographical limits which apply to that section of the policy, we will only pay for claims and losses under that section which arise from activities performed or acts, incidents or occurrences taking place within those geographical limits.

Where any section provides cover in respect of your liability to third parties, we will only cover claims first made in a country within the applicable courts stated in that section of your policy schedule.

General terms and conditions

Policy summary

Policy wording ref.: 15661 WD-COM-UK-GTCA(4)

Key terms and conditions

The General terms and conditions form part of your policy and should be read together with the relevant sections for any policy covers you have selected and with your policy schedule including any endorsements. You should read and check all your insurance documents to ensure that you are aware of and understand the cover, limits and other terms and conditions that apply.

The General terms and conditions are made up of the following sections:

General definitions

We use some words throughout your policy with the same meaning wherever they appear. These are shown in bold type and we explain in the General terms and conditions what they mean.

General conditions

These apply to the whole of your policy and set out below is a summary of some of the key conditions.

- **Presentation of the risk**

Your premium and insurance are based on the information that you have given us.

You must:

- fairly present the risk to us, including making sure the details provided to us accurately reflect your business and that you have disclosed to us any other information material to the insurance;
- let us know immediately if anything needs to change or of any changes to your circumstances during the period of insurance which may materially affect your insurance;
- comply with the terms and conditions of your policy.

If you fail to do so, you could invalidate your policy, claims may not be paid or the amount we pay may be reduced.

- **Other insurance**

We will not make payment under your policy if you would be entitled to be paid under any other insurance if your policy with us did not exist.

- **Cover under multiple sections**

If you, or any other insured person under your policy, are entitled to cover under more than one section of the policy in respect of the same claim or loss, we will only provide cover under one section of the policy – being the section that provides you with the most advantageous cover.

- **Cancellation**

You can cancel your policy by giving us 30 days' notice. If we need to cancel the policy, we will give you 30 days' notice in writing. You will only be charged for the premiums due up to the date of cancellation unless we have accepted notification of a claim or potential claim or loss before the cancellation takes effect.

General claims conditions

These apply to the whole of your policy and set out below is a summary of some of the key claims conditions.

In the event of a claim or anything that may give rise to a claim, you must:

- comply with the obligations set out in the General claims conditions together with those set out in Your obligations in the section under which you are making the claim;
- notify us of the incident or event giving rise to the claim in accordance with and within the time frames set out in the notification provisions in your policy documentation;
- make every reasonable effort to mitigate any loss or liability.

If you fail to notify us when you first become aware of a shortcoming, fact or problem, admit you are liable for what has happened or fail to co-operate fully in the investigation of your claim, your claim may not be paid or the amount we pay may be reduced.

If you make a fraudulent claim or try to deceive us, we may terminate the policy.

General exclusions

We will not make payment for any damage, claims or losses arising from solar weather including from solar flares, magnetic field or magnetosphere fluctuations or disruptions. This exclusion applies to each and every section of your policy.

In addition, other exclusions apply to your policy and are included in the particular sections of the policy to which they apply.
