Target Market statements and Fair Value Assessment

This document has been designed to support distributors in understanding the target markets for our products. Distributors should consider this information when deciding whether the product is suitable for their clients. It is important to be aware that underwriting and risk acceptance criteria will be applied during the quote process, this may result in some customers within the target market not being eligible for a quote.

Important product information

Full information on product features and significant exclusions can be found in the Policy Summary and Policy Wording documents which should be read in conjunction with the Policy or Quote Schedule.

Customer needs and objectives

Producers (customers) require a one-stop package policy covering the key exposures associated with the physical production process of making content for TV and cinema.

Product design

Following the latest product review and fair value assessment the product has been approved as providing the expected value to customers. The metrics and other insight reviewed suggest the product is understood and well utilised by customers. For information on the key benefits and any notable exclusions please see the relevant policy summary, or contact your local Hiscox underwriter.

Eligibility

- Policyholder should be producing content for TV, cinema or other media.
- Policyholder should not have had insurance previously refused, declined or cancelled.

Target market

A package policy covering the principal risks assumed by production companies in the physical production of content for TV, cinema and other media. Intended for TV and film production companies.

Non-target market

This product designed for target market only – not a general product, and is only provided through brokers on an advised-sale basis. This product is not designed for productions with budgets of more than £30million productions relating the adult film industry.

Recommended distribution strategy

This product is only offered through brokers, on an advised-sale basis. No direct offering. Our UK product is only provided through one broker, Media Insurance Brokers Ltd., who operate a binding authority on our behalf. Our EEA business is written via a Lloyds Insurance Company Europe cover holder agreement operated by Media Insurance Services Ltd. in Dublin. Both entities (UK and Dublin) have the capability to operate as both broker and cover holder for the same risk.

Fair value assessment

Date of last fair value assessment: March 2026

Expected date of next assessment: within 12 months of the above date

As a result of our fair value assessment, we have concluded our television and film production product is providing the expected value to customers.

1. The product is compatible with the needs of the target market.
2. The distribution and remuneration strategy remains appropriate, we are not aware of any distribution and remuneration arrangements having a detrimental effect on the overall value of the product.
3. The quality of the service provides the expected value.

When completing our fair value assessments, we consider all information that is available and relevant including information provided by our distributors. We also continually monitor key metrics throughout the year to give us ongoing assurance that products are providing the value expected. Where information is outside of our tolerance levels, we may review the product outside of the scheduled timeline.
