### Policy wording

#### Partially covered claims

If a **claim** which is only partially covered is made against **you**, **we** have the right and duty to defend **you**, but amounts relating to non-covered parts of **claims** will be deducted from **our** final settlement. However, for **claims** or parts of **claims** which allege or arise from any infringement, use or disclosure of a patent, or any use, disclosure or misappropriation of a trade secret, **we** and **you** agree to allocate all amounts, including **defence costs**, upon **our** receipt of the **claim** or **potential claim**.

**We** and **you** agree to use best efforts to determine a fair allocation of covered and non-covered parts of **claims**. If **you** and **we** cannot agree on a fair allocation **you** and **we** agree to follow the dispute resolution process in the General terms and conditions of this **policy**.

If a covered or partially covered **claim** is made against **you**, then **we** have the right to appoint suitably qualified legal representation to defend **you**.

**We** have no duty to defend **you** against **claims** where:

1. no part of the **claim** is covered; or
2. **we** pay **you** the limit of indemnity as described in **How much we will pay**, Paying out the limit of indemnity or if the overall limit of indemnity stated in the schedule has been exhausted.

#### Payment of excess

**Our** duty to make any payment under this section arises only after the applicable **excess** is fully paid. The **excess** will only be eroded by the covered parts of a **claim**.
