

Key benefits: what risks are you protected against?

Medical malpractice insurance covers you for compensation you have to pay to your clients for bodily or mental injury or death as a result of a negligent act, error or omission by you, including in the course of a Samaritan act. We will pay for claims which are made against you during the period of insurance, up to the limit shown in the schedule. We will also pay your legal defence costs incurred with our agreement for covered claims, including representation at a coroner's inquest arising out of the death of any of your clients.

We will pay claims against you for:

- malpractice, negligence or breach of a duty of care;
- dishonesty of your directors, partners, employees, sub-contractors and outsourcers;
- breach of confidence or misuse of any confidential information;
- any other civil liability: this means that if a civil claim is brought against you because of your business activities and we haven't specifically excluded it, it's covered.

We will also pay for your direct losses suffered as a result of:

- dishonesty of your employees, self-employed freelancers, sub-contractors and outsourcers, where the loss is discovered during the period of insurance;
- any business document of yours being lost, damaged or destroyed, other than electronic data.

Your policy may also reimburse you for fees that your client refuses to pay if we believe this is likely to prevent a future claim against you for a greater amount.

Significant or unusual exclusions and limitations:

You must at all times:

- keep descriptive records of all professional services and procedures for at least five years from the date of treatment;
- ensure that anyone performing a business activity was suitably qualified to do so at the time and retain written evidence of these checks; ensure that all Registered Medical Practitioners performing a business activity maintain registration with the General Medical Council or Irish Medical Council;
- take reasonable steps to ensure that any third-party manufactured products which you supply, sell or apply were entirely made within the European Union (including the United Kingdom and Gibraltar) or sourced from a supplier within the European Union (including the United Kingdom and Gibraltar).

We will not pay for claims or losses arising from:

- any injectable or filler treatment, unless photographs are taken of the client prior to treatment and a certified first aider is present during and immediately after treatment;
- any laser light treatment, unless a patch test is undertaken at least 24 hours prior to the treatment;
- physical or mental abuse, invasion of privacy, mistreatment, maltreatment or any act of a sexual nature;
- any contractual terms which make you responsible for losses you would not be responsible for if the contractual terms did not exist;
- death or bodily or mental injury which was not caused by your malpractice;
- any breach of your obligations as an employer;
- any kind of discrimination, harassment or unfair treatment;
- the loss, damage or destruction of any tangible property except for the loss of documents;
- your manufacture, installation or maintenance of any product, unless the product is supplied, sold or applied by you in the course of your business activity. This does not apply to any product you have manufactured.
