

# Technology appetite guide

Hiscox have been providing commercial insurance for the technology sector for over 24 years, and now cover more than 60,000 technology businesses; from individual IT contractors to the fastest growing tech companies in the UK.

- Tech we're very hungry for
- Tech we're hungry for
- Tech we'll try and find a solution for

We can tailor an insurance package to suit your client. Covers include: professional indemnity, property, business interruption, cyber and data, management liability portfolio, events, public and product liability, employers' liability, personal accident and travel. Please contact your local technology underwriter or branch underwriter for details.
